## OBJECTIVE OF THE ACTIVITY:

Jhansi ki Rani was the queen of Maratha princely state of Jhansi in Uttar Pradesh, India. Lakshmibai actively participated in the 1857 rebellion against the British colonial government. Today is the 162nd death anniversary of Lakshmibai.

June 17, in Kotah-ki-Serai near the Phool Bagh of Gwalior, the British forces charged the Indian forces commanded by Rani Lakshmibai. The British Army killed 5,000 Indian soldiers. Rani Lakshmibai was unhorsed and was wounded. There are two views on her death: Some people say that she was bleeding on the roadside and upon recognising the soldier fired at him. She was dispatched with his carbine. However, another view is that she was dressed as a cavalry leader and was badly wounded. Rani did not want the British forces to capture her body and told hermit to burn it. Rani Lakshmibai died on June 18, 1858.
