

V.V.GIRI GOVT KALASALA, DUMPAGADAPA

DEPARTMENT OF COMPUTER SCIENCE

DEPARTMENT PROFILE

The Department of **Computer Science** is one of the Leading Departments in V.V.Giri Govt Kalasala, Dumpagadapa.

- The department has its origin in 2001 when the college was under the affiliation of the Andhra University -Vishakapatnam.
- The B.Sc course with Mathematics, Physics and Computer Science as combination was started in 2001 as self finance course. The guest faculty in mathematics used to run the course
- in the beginning the B.Sc Computer Science students used to write their university examination in the year end pattern up-to 2011-2014 Admitted batch.
- Later on the college was under the affiliation of Adikavi Nannaya university from 2012-13 admitted batch.
- From 2015-16 admitted batch onwards the Adikavi Nannaya university introduced semester and examination pattern.
- From 2015-16 admitted batch onwards “(CBCS) CHOICE BASED CREDIT SYSTEM WAS INTRODUCED” in every state university as a policy matter.
- From 2015-16 admitted batch the Computer Science syllabus was revised as semester system was introduced .
- From 2020-21 admitted batch onwards the Computer Science syllabus was again revised as per the NEP 2020.
- In each semester continuous internal evaluation system will be followed under which 25 marks will be given to students based on their performance in mid examinations, assignments seminars and participation in extension activities. The students will write university semester examinations for 75 marks.
