Action Taken Report — Feedback on Curriculum

At the end of the instructional year, student feedback was gathered. Feedback was also collected from the Alumni on the occasion of the concerned meetings. The value of the course, curriculum, and other relevant topics were further gathered from the teachers, employer, and parents. The subject of study was the concepts, usability and relevance for the social goal, objectivity, clarity, and employment chances. Stakeholders' crucial opinions have been taken into consideration. The faculty members discussed about the recommendations made by the interested parties for the curriculum.

Recommendations:

- 1) A few students asked that remedial instruction be set up for those who learn slowly.
- 2) In addition, a few students asked to plan field trips for their extracurricular activities.

Resolutions

- 1) It has been decided to schedule remedial instruction for all slow learners after college hours.
- 2) It has been decided unanimously to plan a field trip to significant local locations.

2019-20

Action Taken Report — Feedback On Curriculum

Feedback was collected from the students at the end of the academic year and from the Alumni on the occasion of the meetings concerned. It was further collected from the Teachers, Employer and Parents regarding the effectiveness of the course, curriculum and other related issues. The Concepts, Usability, Relevance for the Social purpose, Objectivity, Clarity and opportunities of employment were examined. The invaluable opinions of the stake holders have been considered. The faculty members discussed the suggestions of the stake holders regarding the curriculum.

Feedback:

Feedback was obtained and analyzed.
A few students are requested to arrange field trip.

Action taken Report:

It is resolved to arrange a fieldtrip to Polavaram Project, on 05-02-2020.

At the end of the instructional year, student feedback was gathered. Feedback was also collected from the Alumni on the occasion of the concerned meetings. The value of the course, curriculum, and other relevant topics were further gathered from the teachers, employer, and parents. The subject of study was the concepts, usability and relevance for the social goal, objectivity, clarity, and employment chances. Stakeholders' crucial opinions have been taken into consideration. The faculty members discussed about the recommendations made by the interested parties for the curriculum.

Feedback:

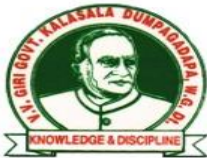

Feedback was obtained and analyzed.

- 1) A few students requested to arrange Industrial Tour.
- 2) Some students appealed to organize guest lectures on advance topics in science.

Action taken Report:

- 1) It is decided to arrange an Industrial Tour to KCP sugar factory, Vuyyuru, Krishna (dt) in the month of February 2022.
- 2) It is decided to organize guest lecture on Thermodynamics through online mode.

The value of the course, curriculum, and other relevant topics were further gathered from the teachers, employer, and parents. The subject of study was the concepts, usability and relevance for the social goal, objectivity, clarity, and employment chances. Stakeholders' crucial opinions have been taken into consideration. The faculty members discussed about the recommendations made by the interested parties for the curriculum.

Feedback:

Feedback was obtained and analyzed.

- 1) A few students requested to arrange field trip to historical places and scientific laboratories.
- 2) Some students appealed to organize guest lectures on advance topics in science.
- 3) The students requested to demonstrate the experiments of Chromatography techniques.

Action taken Report:

- 1) It is decided to arrange field trip to historical place to Challapalli Raja Palace and scientific labat Laxmipuram near Challapalli.
- 2) It is decided to organize guest lecture on Chemical Kinetics.
- 3) It is decided to arrange student exchange program with A.G &S.G.S College, Vuyyuru for demonstrate the chromatography experiments in the month of Febraury, 2023.
