DETAILS OF THE ACTIVITY

Mathematics Day, on December 22, celebrates the birth anniversary of India's famed mathematician Srinivasa Ramanujan. Ramanujan's genius has been regarded by mathematicians to be on the same level as Euler and Jacobi from the 18th and 19th centuries. His work in the number theory is especially regarded and made advances in the partition function. Since 2012, India's National Mathematics Day is recognized on December 22 annually with numerous educational events held at schools and universities throughout the country. In 2017, the day's significance was enhanced by the opening of the Ramanujan Math Park in Kuppam, in Chittoor, Andhra Pradesh. Mathematics lovers like Sri Ramanujan are all around the world and some even support others enhance their knowledge on the subject.

CONCLUSION OF THE ACTIVITY

On 22-12-2020, Department of Mathematics, V.V.Giri Government Kalasala, Dumpagadāpa celebrated National Mathematics Day. Mr. Ch. S. Haranath, Lecturer in Mathematics and Incharge Principal of the college, explained about Ramanujan's number 1729 and asked the students to study mathematics with interest. In this program, the teachers of the college N. Srinivasa Rao, G. Venkata Rao, T. Ogeswra Rao, other teaching non-teaching staff and students participated.
